

Protect Your Investment

with our *Kehoe* Boat Lift Maintenance Program

Routine maintenance is key to preventing costly repairs and ensuring your boat lift operates safely and efficiently. Over time, pulleys and sheaves can seize, leading to premature wear on cables and components. Routine care ensures your boat lift works smoothly every season.

With Kehoe's **Annual Boat Lift Maintenance Program**, you can extend the life of your lift, reduce the risk of breakdowns, and avoid unexpected emergency service calls.

Annual Maintenance Pricing starting at:

.....
\$499*

One visit per year for a single lift
.....

\$199*

Each additional lift
.....

* Plus HST

Quality lifts deserve quality care—keep yours running safely and smoothly with *Kehoe Marine*
